WGX

A wardrobe that wants to attract attention. With its distinctive design language and selected colors, this wall-mounted coat rack makes every modern decor shine.

In any conceivable combination the colors can freely be attached to any wall.

In addition to its design, the focus was on the usage of sustainable materials and a production „Made in Germany“.

100% RECYCLED

This product is made from 100% recycled aluminum. Because this material retains its properties and can be reused after any number of cycles, we are talking about „real“ recycling.

REDUCED POWER CONSUMPTION

The energy used to recycle aluminum is up to 95% lower compared to the primary production ie only 5% of the energy.

PRODUCED SUSTAINABLY

Our aluminum travels short distances - a key factor in reducing CO² emissions. Sustainable and local!
